#### 3. BACKGROUND AND LEGISLATION

##### Background

The Department of Education and Training (DET) provides funding for each child who is enrolled and attending a funded kindergarten program in the year before school. Income from other sources, primarily fees, is required to meet all the additional costs incurred by the service in the delivery of the children's program. In addition, the Kindergarten Fee Subsidy (refer to *Definitions*) enables eligible children to attend a funded kindergarten program free of charge in the year before school.

DET also funds Early Start Kindergarten for three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs as outlined in *The Kindergarten Funding Guide* (refer to *Sources*).

DET requires that funded services have a comprehensive written fees policy, and the content of this policy must be communicated to families. The policy must include a written statement about the fees to be charged, as required under Regulation 168(2) (n), and the payment process. All families must be informed of applicable term and annual fees at the time of enrolment. Services must also advise eligible families of the Kindergarten Fee Subsidy arrangements. The fees charged must comply with the *Kindergarten Fee Subsidy – Fees Policy* (refer to *Definitions*), and be responsive to the local community and the viability of the service. *The Kindergarten Funding Guide* (refer to *Sources*) outlines the criteria to be covered in the policy.

## Legislation and standards

Relevant legislation and standards include but are not limited to:

- *Charter of Human Rights and Responsibilities 2006* (Vic)

## QA 7: FEE INFORMATION FOR FAMILIES

### 1. General information

The Department of Education and Training (DET) provides funding for each child enrolled and attending kindergarten in the year before school as a contribution toward the costs of providing the program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a kindergarten program free of charge in the year before school.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Lilian Cannam Kindergarten provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

### 2. How fees are set

As part of the budget development process, the Committee of Management/Board sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of *The Kindergarten Funding Guide* (Department of Education and Training) available from the DET website: [www.education.vic.gov.au](http://www.education.vic.gov.au)

Once fees are set for the year, they will only be reviewed in extraordinary circumstances, for example, if enrolments drop and the service is at risk of not being able to meet its expenses.

### 3. Other charges

Other charges levied by Lilian Cannam Kindergarten are included on the Statement of Fees and Charges. These include:

- **Kindergarten fee deposit:** This payment secures a child's place at the service and is payable on acceptance of enrolment. The deposit is retained as part payment on term fees. Families eligible for the Kindergarten Fee Subsidy (see below) are not required to pay the deposit. Families experiencing hardship should discuss any difficulties with the service.
- **Excursion/service event charge:** At times throughout the year an additional excursion(s) or event(s) may be arranged where it is considered relevant to the service's program and the children's interests. At this time any additional costs to families are taken into consideration before a decision is made (refer to *Excursions and Service Events Policy*).
- **Refundable levy:** The participation of parents/guardians is encouraged by the service and can help to keep costs more affordable. As not all families are able to assist at the service, a refundable levy system has been introduced to replace volunteering or fundraising activities. Payment will be refunded to parents/guardians on participation in specified activities which may include working bees, maintenance and gardening etc. Eligible concession card holders will not be required to pay this levy. The levy is not intended to be a barrier to participation and families experiencing difficulties should discuss this with the service.
- **Non-refundable levy:** This levy is retained by the service and is included in the total fees charged by the service.
- **Extended Hours Program Fees:** Fee of \$13.50 per hour. Minimum 1 hour attendance, and then charged by the hour for every hour thereafter.

- **Late collection charge:** The Committee of Management/Board reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management/Board.

#### **4. Statement of fees and charges**

A statement of fees and charges for four-year-old or three-year-old kindergarten will be provided to families on enrolment.

#### **5. Fundraising**

Not all service costs are covered by DET per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

#### **6. Subsidies**

##### **1. Kindergarten Fee Subsidy**

The Kindergarten Fee Subsidy is provided by DET enables eligible children to attend five hours of 3 year old and 15 hours of 4 year old kindergarten free of charge. Eligibility conditions may change from time-to-time and must be checked in the most recent edition of the *Kindergarten Funding Guide* (refer to *Sources*).

Families may be eligible for the Kindergarten Fee Subsidy in the year before school if their child:

- is Aboriginal and/or Torres Strait Islander; or
- holds, or has a parent/guardian who holds a Humanitarian or refugee Visa; or
- is a multiple birth child (triplets or more); or
- holds, or has a parent who holds a Commonwealth Health Care Card, Pensioner Concession Card or Veteran's Affairs Card.

Exclusions and exceptions: Not available for long day care services in receipt of Commonwealth Child Care Subsidy.

Where a child is identified by a parent, carer or legal guardian as an Aboriginal and/or Torres Strait Islander, no verification is required.

In all other instances, supporting documentation should be sighted by the service on acceptance of a place or on commencement in the program, however where there are delays, such as in obtaining health care cards for children in out-of-home care, the delay should not provide a barrier to the child accessing the Kindergarten Fee Subsidy. Families are eligible for the Kindergarten Fee Subsidy for the full term in which their concession is valid.

##### **2. Early Start Kindergarten fee subsidy**

Three-year-old children from a refugee or asylum seeker background, or Aboriginal and Torres Strait Islander, or children known to Child Protection are eligible to attend a funded early childhood program that is planned and delivered by a qualified early childhood teacher free or low-cost. The service receives funding for children who meet the eligibility criteria.

#### **7. Payment of fees**

The Committee of Management/Board will regularly review payment options and procedures to ensure that they are inclusive and sensitive to families' cultural and financial situations.

Invoiced are emailed to parents/guardians a minimum of four weeks prior to commencement of the term and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be

paid in full within 14 days of the child's commencement at the service. Receipts will be provided for all fee payments.

Parents/guardians experiencing difficulty in paying fees are requested to contact the Director to arrange a suitable alternative payment plan. The *Privacy and Confidentiality Policy* of the service will be complied with at all times in relation to a family's financial/personal circumstances.

## 8. Unpaid fees

If fees are not paid by the due date, the following steps will be taken.

- An initial reminder letter will be sent to parents/guardians with a specified payment date and will include information on a range of support options available for the family.
- Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management/Board will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.
- No further enrolments of children from the parents/guardians will be accepted until all outstanding fees have been paid.

## 9. Refund of fees

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and fee deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management/Board). There will be no refund of fees in the following circumstances:

- a child's short-term illness
- public holidays
- family holiday during operational times
- closure of the service for one or more days when a qualified educator is absent and a qualified reliever is not available
- closure of the service for staff training days
- closure of the service due to extreme and unavoidable circumstances.

In addition, there will be no refund where a family chooses not to send their child to the program for the maximum number of hours for which they are enrolled.

## 10. Children turning three during the year of enrolment

Full payment from the first day of Term 1 is required if a place is to be reserved for a child in the three-year-old kindergarten program. Children can only commence the program when they have turned three.

## 11. Support services

Families experiencing financial hardship often require access to family support services. Information on these services may be available from the kindergarten service provider or alternatively families may contact the local council.

## 12. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
